

Maroon 5 - Denim Jacket

```
Intro: Db Ab Gb
                  Ab
You're standing there with your cigarette
     Ab
Looking at me like we've never met
               Ab
I know I fucked up, so I'll take the blame
And I don't expect you to let me explain
          Ab
You can't forgive, I can't forget
I know you're just too different now
          Fbm
But I miss you and that denim jacket
I let you get away, I let you get away
          Ebm
                      Bbm Ab
Do you still wear that denim jacket?
I let you get away, I let you get away
        Ebm
                     Bbm Ab
'Cause the color of that blue sky
        Ebm
                Bbm Ab
Just reminds me of our goodbye
         Ebm
                      Bbm Ab
Do you still wear that denim jacket?
I let you get away, I let you get away
Now someone else is taking you home, yeah
             Ab
Hands on the waist, I used to hold
And I know it's my fault
I'm late to the dance
'Cause you couldn't wait for me and I understand
                   Ab
Why you never look back, once that door closed
I know you're just too different now
But I miss you and that denim jacket
I let you get away, I let you get away
