Dbm
You are relentless, I am defenseless
Gb Dbm
Why did you knock me down tonight?
Dbm
You keep me senseless, I just don't get this
Gb Dbm
How many times do I have to try?
Dbm
Your whisper, so clear, the world disappeared
Gb
Cause I'll fall into the darkness, it's impossible to express
Dbm
How good it feels, I'm wrapped up, I'm sealed
Gb
So entitled, I'll never be free
Oh, I don't fight the feeling

(refrão)
Dbm Gbm
Get back in my life, come knock on my door
E Abm Dbm
What I looking for? I think you should know

Please don't resist anymore

I'll never leave you alone
