If I let you meet my mama **Am**
You don't want a girl **C**

For every other girl
You meet its fugazy **C**

Were nice enough **G**
But you need someone to spice it up **Am**

So who you gonna call? Cardi, Cardi
 Come and rev it up like Harley, Harley
 Why is the best fruit always forbidden?
 I'm coming to you now
 Doin' 20 over the limit
 The red light, red light stop, stop
 I don't play when it comes to my heart
 (Let's get it though)
 I don't really want
 A white horse and a carriage
 I'm thinkin' more of a white Porsches
 And karats
 I need you right here
 'Cause every time you call
 I play with this kitty like you play
 With your guitar
