

Tom: G

intro no guitar

"But it's so strange (it has sort of a choppy feel to it)

chorus
sweet ki- wi your juices... chin

I Please let me dont stop... Begins

"So give it up, and don't pretend (it has sort of a choppy feel to it)

chorus
sweet ki- wi your juices... chin

I Please let me dont stop... Begins

"I can't wait to take you home"

Fingers through your hair

Kisses on your back

Scratch me with your nails

Save me from myself

Show me how to care

Get everything out

Dripping everywhere

Lipstick smeared all over your face

How much longer must we wait?

Don't think that I can wait
(rest) no guitar

chorus
sweet ki wi your juices... chin

I (5 times) second time
I Please let me Idont stop... Begins

ending solo (prolly very off but i tried)improv. w/ it

G

A fretboard diagram for a guitar in standard tuning. The diagram shows the first four frets. The notes for the G major chord are indicated by black dots: G2 on the open low E string, B2 on the 2nd fret of the A string, D3 on the 3rd fret of the D string, G3 on the 4th fret of the G string, B3 on the 2nd fret of the B string, and D4 on the 3rd fret of the high E string.
