

Maroon 5 - Not Falling Apart

```
Tom: G
Intro: G Em x 2
Danced all night
Slept all day
Careless with my heart again
Fearless when it comes to playing games
You don't cry
You don't care
Afraid to have a love affair
Is that your ghost or are you really there?
Now I can't walk, I can't talk anymore
Since you walked out the door
And now I'm stuck living out that night again
I'm not falling apart
Repete intro x 1
Weather on a sunny day
Time slows down, I wish you'd stay
                                              Em
Pass me by in crowded, dark hallways
Try my hardest not to scream
I find my heart is growing weak
                                                 Em
So leave your reasons on the bathroom sink
```
