tom:

Intro: D D G G

[Primeira Parte]

D
It is so easy to see
D
Dysfunction between you and me
G
We must free up these tired souls
G
Before the sadness kills us both
D
I tried and tried to let you know
D
I love you but I'm letting go
G
It may not last but I don't know
G
Just don't know

[Pré-Refrão]

D
If you don't know, then you can't care
D
And I show up, but you're not there
G
But I'm waiting, and you want to
G
Still afraid that I will desert you

[Refrão]

D
Every day
D
With every worthless word we get more far away
G
The distance between us makes it so hard to stay
G
But nothing lasts forever, but be honest babe
D
It hurts but it may be the only way

[Ponte]

Em
Though we have not hit the ground
G
Doesn't mean we're not still falling, oh Bm
Em
I want so bad to pick you up
G
But you're still too reluctant to accept my help D
Bm
What a shame, I hope you find somewhere to place the blame A
But until then the fact remains

[Refrão]

[Segunda Parte]

D
A bed that's warm with memories
D
Can heal us temporarily
G
But misbehaving only makes
G
The ditch between us so damn deep
D
I built a wall around my heart
D
Never let it fall apart
G
Strangely, I wish secretly

G
It would fall down while I'm asleep
