

Maroon 5 - Out Of Goodbyes

Tom: **C**

(intro 4x) **G**

G
Tell me actions speak louder
C **G**
But there's something about her words that hurt
G
Clothes on the bed, so late and
C **G**
I'm the last one still waiting for ya to lock the door
C7 **C#m7-**
On our way home I realise
G
There's some kind of storm brewing in his eyes
G
Only veiled by a thin disguise
C7 **Dbm7**
Now that I've done my time
G
I need to move on and I need you to try
C **G**
Cos we're out of goodbyes

We're out of goodbyes, out of goodbyes

G
Never asked you to change
C **G**
But sadly you don't feel the same about me
G **C**
I wonder does your man still shudder when you touch his hand
G
Like this man
C7 **C#m7-**
On our way home I realise
G
There's some kind of storm brewing in his eyes
G
Only veiled by a thin disguise
C7 **C#m7-**
Now that I've done my time
G
I need to move on and I need you to try
C **G**
Cos we're out of goodbyes
C **G**
We're out of goodbyes, we're out of goodbyes
