

# Maroon 5 - Payphone

tom:  
Eb (forma dos acordes no tom de B )  
Capostrate na 4ª casa

[Refrão]

I'm at a payphone trying to call home  
All of my change i've spent on you  
Where have the times gone  
Baby it's all wrong  
Where are the plans we made for two

Yeah, I, I know it's hard to remember  
The people we used to be  
It's even harder to picture  
That you're not here next to me  
You said it's too late to make it  
But is it too late to try?  
And in our time that you wasted  
All of our bridges burned down

[Pré-Refrão]

I've wasted my nights  
You turned out the lights  
Now i'm paralyzed  
Still stuck in that time  
When we called it love  
But even the sun sets in paradise

[Refrão]

I'm at a payphone trying to call home  
All of my change i've spent on you  
Where have the times gone  
Baby it's all wrong  
Where are the plans we made for two  
If happy ever after did exist  
I would still be holding you like this  
And all those fairy tales are full of shit  
One more fucking love song i'll be sick

[Segunda Parte]

Oh, You turned your back on tomorrow  
'Cause you forgot yesterday  
I gave you my love to borrow

But just gave it away  
You can't expect me to be fine  
I don't expect you to care  
I know I've said it before  
But all of our bridges burned down

[Pré-Refrão]

I've wasted my nights  
You turned out the lights  
Now i'm paralyzed  
Still stuck in that time  
When we called it love  
But even the sun sets in paradise

[Refrão]

Now i'm at a payphone

[Terceira Parte]

Man fuck that shit  
I'll be out spending all this money  
While you sitting round  
Wondering why wasn't you  
Who came out from nothing  
Made it from the botton  
Now when you see me i'm stunning  
And all of my cars star with a push of a button  
Telling me the chances  
I blew up or whatever you call it  
Switch the number to my phone  
So you never could call it  
Don't need my name on my show  
You can tell it i'm ballin'

**Eadd9**  
 Shish, what a shame could have got picked  
**B**  
 Had a really good game  
**Abm**  
 But you missed your last shot  
 So you talk about who you see at the top  
**Gb4**  
 Or what you could have saw  
 But sad to say it's over for  
**Eadd9**  
 Phantom pulled up valet open doors  
**B**  
 Wiz like go away  
 Got what you was looking for  
**Abm**  
 Now it's me who they want  
 So you can go and take that  
**Gb4**  
 Little piece of sh-t with you

[Refrão]
