Watch the sunrise Say your goodbyes Off we go Some conversation No contemplation Hit the road

Car overheats

Acordes

Jump out of my seat On the side of the highway baby Our road is long Your hold is strong Please don't ever let go Oh No

I know I don't know you But I want you so bad Everyone has a secret But can they keep it Oh No they can't

I'm driving fast now Don't think I know how to go slow Where you at now I feel around There you are

Cool these engines
Calm these jets
I ask you how hot can it get
And as you wipe of beads of sweat
Slowly you say, I'm not there yet.
