Em
I didn't hear what you were saying
Em
I live on raw emotion baby
Am **Bm**
I answer questions, never maybe
Em
And I'm not kind if you betray me
Em
So who the hell are you to save me?
Am **Bm**
I never would've made it baby
Em
If you needed love Well then ask for love
Could have given love Now I'm taking love
B
And it's not my fault Coz you both deserve
What's coming now So don't say a word

Refrão

Em
Wake up call **Caught** you in the morning with another man in my bed
B
You don't care about me anymore. Care about me? I don't think so
Em
Six foot tall came without a warning so I had to shoot him dead
B
He won't come around here anymore, come around here?
I don't feel so
Em **Bm** **Em**
Would have bled to make you happy You didn't need to treat me that way
Bm **Am**
And now you beat me at my own game
Bm **Em**

And now I'm finally sleeping soundly
Em
And your lover's screaming loudly
Bm **Am**
I hear a sound and hit the ground
Em
If you needed love Well then ask for love
Could have given love Now I'm taking love
B
And it's not my fault Coz you both deserve
What's coming now So don't say a word
