                                                                I hear a sound and hit the ground
Intro: dução
                                                               If you needed love Well then ask for love
                                                               Could have given love Now I'm taking love
                                                               And it's not my fault Coz you both deserve
                                                               What's coming now So don't say a word
I didn't hear what you were saying
I live on raw emotion baby
                                                               Refrão
I answer questions, never maybe
                                                               Wake up call Caught you in the morning with another man in my
And I'm not kind if you betray me
                                                               hed
So who the hell are you to save me?
                                                               You don't care about me anymore. Care about me? I don't think
                                                               S0
I never would've made it baby
                                                               Em
                                                               Six foot tall came without a warning so I had to shoot him
If you needed love Well then ask for love
                                                               dead
Could have given love Now I'm taking love
                                                               He won't come around here anymore, come around here?
                                                                I don't feel so bad, I don't feel so bad
And it's not my fault Coz you both deserve
What's coming now So don't say a word
                                                               I'm so sorry darling
                                                               Did I do the wrong thing? Oh, what was I thinking?
                                                               Is his heart still beating?

Would have bled to make you happy You didn't need to treat me
that way
                                                               He won't come around here anymore, come around here?
 And now you beat me at my own game
