

Marquinhos Gomes - Me arrepende

tom:

Intro: G Am G C C G C

Eu vim aqui Me arrepende

vim deitar minha glória no pó

Eu vi a dor Que te causei

Quantas vezes te crucifiquei

Os meus ossos se secaram Eu calei a minha voz

Minha alma se tornou em sequeidão

Confessei-te o meu pecado Minha maldade não encobri

E deixei fluir a cura e o perdão

[Refrão]

Me arrepende eu venho Me arrepende eu quero

Me arrepende de tudo que pequei contra ti

Me arrepende eu venho Me arrepende eu quero

Me arrepende de tudo que pequei contra ti Senhor

(Am Am F)

(Gm Gm Eb)

(E A7 D C)

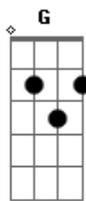

Eu vi a dor Que te causei

Quantas vezes te crucifiquei
