A E
Oh, it's a silly little girl

But I can't stand up and I won't sit down

And I'm nervous now

And I know that you know

A E
Oh, I'm running in a circle

I don't even remember my name

Remember my name

A
I can see you smile from a mile away

E
Maybe we can make it

E
Won't you stay?

Don't you be afraid

Ab A
I will always walk you home
