

Marshmello - Happier

tom:

C

[Primeira Parte]

Am Lately, I've been, I've been thinking
F I want you to be happier, I want you to be happier
Am When the morning comes
C When we see what we've become
F In the cold light of day we're a flame in the wind
Not the fire that we've begun
Am Every argument, every word we can't take back
C 'Cause with the all that has happened
F I think that we both know the way that the story ends

[Refrão]

Am Then only for a minute
F I want to change my mind
C 'Cause this just don't feel right to me
Am I want to raise your spirits
F I want to see you smile but
Know that means I'll have to leave

Am C F Am Know that means I'll have to leave
Am Lately, I've been, I've been thinking
F I want you to be happier, I want you to be happier
C Even though I might not like this
F I think that you'll be happier, I want you to be happier

[Segunda Parte]

Am When the evening falls
C And I'm left there with my thoughts
F And the image of you being with someone else
Well, that's eating me up inside
Am But we run our course, we pretended we're okay
C Now if we jump together at least we can swim
F Far away from the wreck we made

[Refrão]
