

# Marta Gómez - Confesion

Tom: D  
Intro: D Bm Em G D Em A7

Vengo de una tierra  
que le sobra corazón y voluntad  
Sueño con el día  
en que le sobre la razón para cantar.

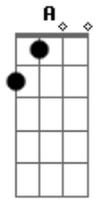

Tengo dos pretextos que me esperan  
Para regalarme su mirada  
Tengo cada vez más recompensas

Tengo cada vez menos palabras.

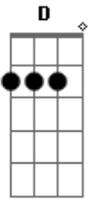

Vengo de un país,  
de una región que está embrujada  
Por los indios que se niegan  
a alejarse de su raza.

Llevo veinte años  
aprendiendo a valorarla  
Y en los tiempos de mi infancia  
Parecía tener más magia.
