

Martin Garrix - Now That I've Found You (feat. John Martin)

tom:

Intro: **Em**

[Primeira Parte]

Em **C**
Flashback to the time in your life

D **A**
When thought it would be easy

Em **C** **D** **Em**
But it's hard when you're taking on the world, you know

Em **C**
The one shot that you fire at the sky

D **A**
Hoping someone else can see it

Em **C** **D** **A**
Just a sign that you're not on your own, you know

[Refrão]

C
We come one tonight

D **Am**
I've been waiting for your wake up call

C
Growing stronger now

D **Em**
I can hear it in a thunderstorm

Em **D** **C**
We sing, ohh ohh

C **D** **Am**
I don't want to Do this without

Am **Bm** **C**
Ohh ohh

Em
I won't let Go now that I've found you

Em
Now that I've found you

(**Em** **D** **C** **D**)
(**Am** **Bm** **C** **D** **Em**)

Em **D** **C**
(ohh ohh)

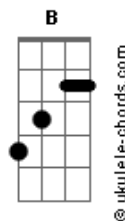

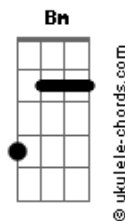

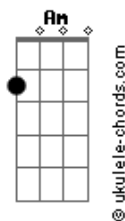

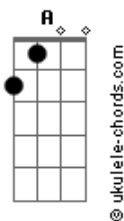

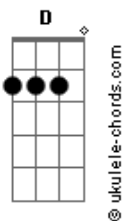

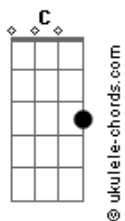

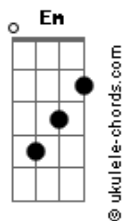

C **D** **Am**
I won't let Go now that I've found you

Am **Bm** **C**
(ohh ohh)

C **D** **Em**
I won't let Go now that I've found you
