Gbm A
Light 'em up, light 'em up

E
Tell me where you are, tell me where you are

Gbm A
The summer nights, the bright lights

E Dbm7
And the shooting stars, they break my heart

Gbm A
I'm calling you now, but you're not picking up

E Dbm7
Your shadows so close if that's still enough

Gbm A
Light a match, light a match

E Dbm7
Baby, in the dark, show me where you are

Gbm A
Oh, love

E Dbm7
How I miss you every single day when I see you on those streets

Gbm A
Oh, love

E Dbm7
Tell me there's a river I can swim that will bring you back to me

Gbm A E
'Cause I don't know how to love someone else

E Dbm7 Gbm
I don't know how to forget your face

A
Oh, love

E Dbm7
God, I miss you every single day and now you're so far away

Dbm7
We could have had the stars, oh

Gbm A
Oh, love
