

Martina Stoessel - Born To Shine

Tom: **E**

Every dream ^{**E**} has a heartbeat
^{**A**}

Listen to it, listen to it

And it won't ^{**E**} let you sleep

It's ^{**A**} whispering, whispering

You wake ^{**E**} and it's in your breath

It's ^{**A**} everything, everything

^{**E**} You know it's meant to be

^{**A**} ^{**D**}

And it's gonna set you free

There's a ^{**E**} light in your eyes and it's magic

Everybody's ^{**A**} gonna see that you have it

There's a ^{**D**} voice saying gonna make it happen

Can't ^{**G**} stop it, can't stop it

^{**B**} Go go, no never give up

^{**G**} And no no, everything that you touch

^{**D**} Becomes alive right before your eyes

^{**E**} You were born to shine
