

# Pink Martini - Hey Eugene

Tom: A B7

Released on May 14th 2007

Tabbed by:PJVillanueva

Do you remember me  
I'm that chick you danced with two times  
Through the Rufus album Friday night at that party  
I never knew A  
Where your skinhead friend passed out  
For several hours on the bathroom floor  
And you told me  
You weren't that drunk  
And that I was your favourite Salsa dancer  
You had ever come across in New York City

Eugene  
Eugene  
Eugene  
I said hello, Eugene  
Are you there, Eugene

Then we kissed  
Once we lobbed your friend into the elevator  
I went to write my number on a soggy paper towel  
And the car went down  
And when we were finished making out  
We noticed that your skinhead friend was gone  
Long gone  
And you looked into my bloodshot eyes  
And said "is it too soon if I call you Sunday"

Eugene  
Eugene

I said hello, Eugene  
Are you there, Eugene

I said hello (hello), Eugene (Eugene)
