

Martinn & Valley - Little Things

tom:

G

New day begins

The big star comes back to gives us a good day

The birds sing

Beautiful melodies among the trees today

Just look around to see how little things

Make life so beautiful

Some children play

While their mother reads a book in the park bench

Like a replay

In every morning it is so, take care of them

Just look around to see how little things

Make life so beautiful

(D Bm G)
(C G A7 Am)

Bm Bm G D
Details we do not give value

A Bm G D
Moments we only notice when they are gone

Bm Bm G D
It is strange how we don't realize

A Bm G A
Good little things that we have in our life

(D Bm G C)
(G A7 Am)

G
A man runs

Just having fun with your dog by your side

The rising sun

Illuminating the landscape where they go ride

Just look around to see how little things

Make life so beautiful

G
Thank for your life

For everything that makes you happy, for the time

Do your best rhyme

Hey! Do not hide your talent. Lift it up high!

Just look around to see how little things

Make life so beautiful
