Tom: **A**
Intro: **A**

I used to go out to parties **A**

And stand around

'Cause I was too nervous

To really get down

And my body yearned to be free **D E A B**

So I got up on the floor and found **D E**

Somebody to choose me **A B**

No more standin' along the side walls **A**

Now I've got myself together, baby

And I'm havin' a ball **D E**

Long as you prove it **A B**

There's always a chance **D E**

Somebody watches **A B**

I'm gonna make romance

With your body, ooo baby, you dance all night

Get down and prove it, feel all right...

Keep on dancin' **A**
