

Marvin Gaye - Just To Keep You Satisfied

```
tom:
               Fh
       Ah
                                                 Fb
You were my wife, life, my hopes and dreams
            Gm
 Fm
For you to understand what this means
I shall explain
I stood all the jealousy all the bitching too
Yes I forgot all once in bed with you
                    Gm
Ooh darling how could we end up like this
Ooh baby let me reminisce
And when we ooh we stopped the hands of time
   Fm Gm
                     Cm
You set my soul on fire my one desire was to love you
And think of you with pride and to keep you satisfied
   Eb Fm Gm Cm
Ooh baby, ooh baby
We could not bear the man's astray
Leave you I never meant to
Now you see how much you hurt me
But if you ever need me I'll be by your side
       Fm
Though the many happy times we had
Can never really outweigh the bad
I never loved nobody like I loved you baby
```

```
Farewell my darling
     Ah
Maybe we'll meet down the line
(Ooh baby) It's too late for you and me
It's too late for you and I
Much too late for you to cry
                 Ab
It's too late for you and me
Much too late for you and I
                 Eb Fm
It's too late for you and me
                 Gm
Much too late for you to cry, baby
Oh, we tried
God knows we tried
    Eb Fm
Now it's too late
  Gm
To live and learn
Ah
Oh, it's too late, baby
                 Eb
It's too late for you and me
Much too late for you to cry
   Eb
              Fm Gm Cm
It's much too late
Δh
Oh, well
                        Eb
All we can do, is we can both try to be happy
[Final] Ab
```

Acordes

Now it's time for us to say farewell
