

Marvin Gaye - Lucky lucky me

Tom: C

Bb Ab Bb F

Lady Luck shows my love me

Oh, When she blessed me with your loving charms

I've found my place in the sun

With heaven right here in your arms

I feel so lucky, so lucky baby

Oh, lucky to be loved by you

And I wanna thank you, thank you baby

For all the little loving things you do

I got to tell the world about it

I've got to stand right up and shout it

Hey! Look at lucky me

Ooh, baby Ooh, baby

I don't mind stormy weather

The rain no longer makes me blue

And I don't care when my friends all get together

And leave me out of everything they do

It's alright if the sun don't shine

It's impossible to darken my day

Makes no difference if I don't have a dime

I'll be wealthy anyway

Mmm, I'm no good without you

But listen baby, as long as I got you

Hey! Look at lucky me

Hey! Ooh, baby

(F G A Bb C)

In my life there's no misfortune

No struggle or strife today

You're my lucky charm, my guiding star

So just smile and chase them blues away

I can't help it baby, you're so wonderful

Oh, How lucky can a-one man be

Oh, your tenderness and sweet caress,

And it all belongs to me

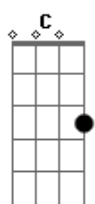

I wanna tell the world about it

I wanna stand right up and shout it

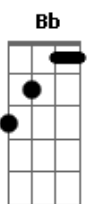

Hey! Look at lucky me
