

Marvin Gaye - Lucky lucky me

```
Tom: C
              Bb Ab Bb F
 Lady Luck shows my love me
                                                                             Bb
 Oh, When she blessed me with your loving charms

Bb Ab
 I've found my place in the sun
 With heaven right here in your arms
 I feel so lucky, so lucky baby
 Oh, lucky to be loved by you
 And I wanna thank you, thank you baby
 For all the little loving things you do
 I got to tell the world about it % \frac{1}{2}\left( \frac{1}{2}\right) =\frac{1}{2}\left( \frac{1}
 I've got to stand right up and shout it
                                                         Bh
 Hey! Look at lucky me
                                 Bb Ab Bb F
 Ooh, baby Ooh, baby
I don't mind stormy weather
 The rain no longer makes me blue
                                                                      Bb
 And I don't care when my friends all get together
                                                 Bb
 And leave me out of everything they do
 It's alright if the sun don't shine
```

```
It's impossible to darken my day
Makes no difference if I don't have a \operatorname{\mbox{\rm dime}}
I'll be wealthy anyway
Mmm, I'm no good without you
But listen baby, as long as I got you
Hey! Look at lucky me
Hey! Ooh, baby
(F G A Bb C )
In my life there's no misfortune
No struggle or strife today
You're my lucky charm, my guiding star
So just smile and chase them blues away
I can't help it baby, you're so wonderful
Oh, How lucky can a-one man be
Oh, your tenderness and sweet caress,
And it all belongs to me
I wanna tell the world about it
I wanna stand right up and shout it
Hey! Look at lucky me
