Tom: **C**

Verse 1:

**D** **D**

Ah, me rcy, mercy me,

**Bm** **Bm** **Em**

Ah, things ain't what they used to be, no, no.

Where did all the blue skies go?

**G** **G**

Poison is the wind that blows from the north and south and east.

Verse 2:

Mercy, mercy me,

Ah, things ain't what they used to be, no, no.

Oil wasted on the ocean and upon  
our seas fish full of mercury,

Verse 3:

Oh, mercy, mercy me.

Ah, things ain't what they used to be, no, no, no.

Radiation underground and in the sky;

animals and birds who live near by are dying.

Verse 4:

Oh, mercy, mercy me.

Ah, things ain't what they used to be.

What about this over crowded land?

How much more abuse from man can she stand?
