

Marvin Gaye - Stop, Look, Listen (To Your Heart)

```
tom:
                                                                                 G7M
                                                               All the things you really feel; this time, decide
Intro: Am Em7 F7M F
Am Em7 F7M F
                                                               Em7 Am7 Em Am7
That you will open up; let it in
                                                                                 G7M
       C7M Dm7
                                                               There's no shame in sharing love, you keep with-in
[Primeira Parte]
                                                               [Ponte]
      Em Am7
You're alone all time
           G7M
                                                               So jump on in; head over heels, and fall right in
Does it ever puzzle you? Have you asked why?
        Am7
                                                               It's never too late, too late to
 Em7
                     Em Am7
You seem to fall in love, out a-gain
            G7M
                                                               [Refrão]
Do you really ever love, or just pre-tend? Oh, baby
                                                                     Em7 F7M
[Ponte]
                                                                Stop, look, listen to your heart
                                                               Hear what it's saying
                                                               Am Em7 F7M
Stop, look, listen to your heart
Why fool yourself? Don't be a-fraid to help yourself
It's never too late, too late to
                                                               Hear what it's saying
[Refrão]
                                                               C7M
                                                                      Dm7 A7M
                                                               Love oh, love love
     Em7 F7M
Stop, look, listen to your heart
                                                               ( Am Em7 F7M F )
Hear what it's saying
                                                               ( Bbm Fm7 F#7M Gb )
Am Em7 F7M
Stop, look, listen to your heart
                                                               [Refrão]
Hear what it's saying
                                                               Am Em7 F7M
                                                                Stop, look, listen to your heart
C7M
      Dm7 A7M
Love oh, love love
                                                               Hear what it's saying
                                                               Am Em7 F7M
[Segunda Parte]
                                                                Stop, look, listen to your heart
                                                               Hear what it's saying
                Em
                          Am7
