Marvin Gaye - Symphony

Tom: C

```
                C
Symphony
                          Am         Bm7   E7
She's only known as symphony
C
Melody, yeah
                      Am          Am7   Bm7   E7
Crept- crept into the soul of me
F7M
Symphony, yeah
            Dm7                G7
She's sort of like a song, she moves along
   C                   Cm7
In perfect rhyme, oh la la
                  Em   Am           Bm7
Right now feel perfect time, baby
Em        Bb        C
You and me to slip away, slip away
            Am                   Bm   E
Let our song begin to play, yeah baby

     F7M
Make me the one, darling
        Dm7
Only one who know the bliss
          G7
```

```
Of knowing a kiss
              Cm7
All the love of symphony, symphony, woo
                 Am
Like violins, music begins
             C    C7M
It starts to swell, then I can tell
              Am
That pretty soon we going to be in tune
         Dm7            Gm7
Our hearts will be in perfect harmony

C7M
Symphony
                   Am7                        Dm7
Got my heart hit like a tender beat, "boom Boom"
          E      C7M
When you want me, send for me, "cha cha, cha cha"
          C              Am
And I'll come and love you tenderly
Fm   F   E7      Am              F7M
Hey  oh, I'll do the things girl
          Dm7                D7   G7   G      C7M
Oh making you feel that my love is for real for you
          Em7   A7
Symphony, symphony, oh
Dm7                      G7                    C7M
Do the thing makes you feel that I love you darling
