        You're all I need to get by
       Like the sweet morning dew,
        I took one look at you
        And it was plain to see
          You were my destiny.
       With my arms open wide
        I threw away my pride
        I'll sacrifice for you
        Dedicate my life for you
        I will go where you lead % \left( 1\right) =\left( 1\right) \left( 1\right) 
        Always there in time of need
       And when I lose my will
        You'll be there to push me up the hill
       There's no, no looking back for us
       We got love sure 'nough, that's enough
```
