

# Mary Black - Caledonia

tom:

Intro:

<sup>C</sup> I don't know if you can see  
<sup>Am</sup> The changes that have come over me  
<sup>C</sup> In these last few days I've been afraid  
<sup>Am</sup> That I might drift away  
<sup>C</sup> I've been telling stories, singing songs  
<sup>Am</sup> That make me think about where I come from  
<sup>C</sup> That's the reason why I seem  
<sup>Am</sup> So far away today

<sup>C</sup> Let me tell you that I love you  
<sup>Am</sup> That I think about you all the time  
<sup>C</sup> Caledonia you're calling me

Now I'm going home  
<sup>C</sup> But if I shall become a stranger  
<sup>Am</sup> Know that it would make me more than sad  
<sup>G</sup> Caledonia's been everything I've ever had  
<sup>C</sup>

Now I have moved and kept on moving  
Proved the points that I needed proving  
Lost the friends that I needed losing  
Found others on the way  
I have kissed the lads and left them crying  
Stolen dreams, yes there's no denying  
I have travelled hard sometimes with conscience  
Flying  
Somewhere in the wind

Now I'm sitting here before the fire  
The empty room, a forest choir  
The flames have cooled. don't get any higher  
They've withered now they've gone  
But I'm steady thinking my way is clear  
And I know what I will do tomorrow  
When hands have shaken, the kisses flowed  
Then I will disappear

## Acordes
