

# Mary Cruz - Your Cry

tom: G

A new people is going to rise  
 In the name of Love  
 People who fight  
 for their Faith  
 Beloved people, this pain will pass,  
 hold on thy Lord  
 He is faithful, believe in His promises

When your heart cannot bear anymore  
 He'll hear your cry

Those who hurt you,  
 are hurting God himself

Peace will be so bright one day  
 And we will hear a brand new song  
 Our Strength is only our Lord  
 We won't stop!

Let's hold our hands  
 and keep united,  
 we are brothers and sisters  
 The whole Earth is gonna recognize  
 The Victory of Love!
