

# Mary Elizabeth McGlynn - Room of angel

Tom: **Db**

**Cm**  
You lie, silent there before me  
Your tears, they mean nothing to me

**Bb**  
The wind howling at the window

**Gm**  
The love you never gave

**Cm**  
I give to you  
Really don't deserve it

**Cm**  
But now, there's nothing you can do

**Bb**  
So sleep, in your only memory

**Gm**  
Of me, my dearest mother

**Cm** **Bb**  
Here's a lullaby to close your eyes  
Goodbye

**Gm** **Cm**  
It was always you that I despised

**Cm** **Bb**  
I don't feel enough for you to cry, oh no

**Gm** **Cm**  
Here's a lullaby to close your eyes

Goodbye

Goodbye

Goodbye

Goodbye

**Cm**  
So insignificant, sleeping dormant deep inside of me

**Cm** **Bb**  
Are you hiding away, lost, under the sewers

**Bb** **Gm**  
Maybe flying high, in the clouds?

**Gm** **Cm**  
Perhaps you're happy without me

**Cm**  
So many seeds have been sown in the field

**Cm**  
And who could sprout up so blessedly, If I had died

**Cm** **Bb**  
I would have never, felt sad at all

**Bb** **Gm**  
You will not hear me say 'I'm sorry'

**Gm**

Where is the light, wonder if it's weeping somewhere?

**Cm** **Bb**  
Here's a lullaby to close your eyes  
Goodbye

**Gm** **Cm**  
It was always you that I despised

**Cm** **Bb**  
I don't feel enough for you to cry, oh no

**Gm** **Bb** **Cm**  
Here's a lullaby to close your eyes  
Goodbye
