Some people say that love is a prison,

and you're locked up whenever you're in it.  
D F G G C  
Well I don't buy it.

A  
And anyway, if being locked away just  
Dbm  
meant waking up next to you everyday,  
D F G G C  
well I wouldn't mind it.

E D  
In a world of nightmares, you're a sweet, sweet dream...

just about the prettiest thing that I've ever seen.

loving every little thing you do,

Dbm  
to a life time of loving you tenderly,  
D F G G C  
well I'd be delighted.

E D  
In a lifelong winter time you're the first day of spring.

just about the prettiest thing that I've ever seen.
