

## Massacration - Evil Papagali

```
Evil Papagali
Intro: E C D
                                                              He wants to kill
                                                             He ordered me to
                                                              Puta que pariu
                                                             Evil Papagali
                                                              He is animal
                                                              He got the power
                                                                    D (Riff 1)
                                                              Of heavy metal
Thrash
                                                             He's got the power Of The furation
                                                              You feel the pain
                                                              Is the bication
Thrash
                                                             He's master of hell
                                                              And we're Massacration
                                                             He wants to speak
                                                                            D (Riff 1)
I met a bird that
                                                              To all the nation
Came From Hell
He is little green
                                                              Chorus: 3x
He is very well
                                                              Loro
                                                                       D C B
He likes to play
                                                              Loro quer biscoito
He likes the milk
He likes to fight
                                                                    C
                   D (Riff 1)
                                                              Loro
                                                                    D C B
He likes to kill
                                                              Loro quer biscoito
I met a bird that
                                                              Quer biscoito
Came from hell
He is little green
He is very well
                                                              Passagem 2 variação:
He cannot fly
And he is revolt
He don't like me
                       D (Riff 1)
And then he told
                                                             B C D
                                                             Curupaco feel
What?
                                                             the fire
B C D C
Chorus:
                                                             Curupaco feel
                                                              B C D
          D C B
                                                             Curupaco kill
Lôro quer biscoito!
                                                                  C
                                                             With power
Lôro
           D
                                                              Curupaco kill
Lôro quer biscoito
                                                              (Chorus 8x)
       C B
quer biscoito
                                                              (Intro)
Passagem 1:
                                                              (Passagem 1)
                                                              (Passagem 2)
                                                              --2~~-i
                                                              --0~~-j
```
