

Master Dy - Mayhem In The Vortex

tom:
Bm

Chaos unfolds in this twisted place
Mayhem in the vortex
Darkness descends in a torrent of rage
Drowning our minds on this chaotic stage

(Bm G A)

Lost in the vortex
No way to escape
Spiraling down
We're caught in this chase
The fury surrounds us
Tearing us apart
In this swirling madness
We must find our heart

Caught in the tempest's grip
Lost in the depths of despair
A relentless force we can't elude
Our fate hangs in the air

Mayhem in the vortex
It's a whirlwind of pain
No way to control
It's driving us insane
We'll fight through the chaos
Find the sun in the storm
Mayhem in the vortex
Our souls will transform

(D A B A B)
(G A Bm A B)

(G A G A Bm)
(B D B Bm G)

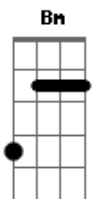

Trapped in the vortex's grasp
A labyrinth of fear
With each twist and turn
Our path becomes unclear
The shadows close in
As we struggle to survive
In the heart of the chaos
We'll keep our hope alive
Mayhem in the vortex
It's a whirlwind of pain
No way to control
It's driving us insane
We'll fight through the chaos
Find the sun in the storm

Mayhem in the vortex
It's a whirlwind of pain
No way to control
It's driving us insane
We'll fight through the chaos
Find the sun in the storm
Mayhem in the vortex
Our souls will transform

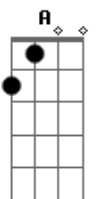

(G A Bm G A Bm)
(G A Bm G A)

Caught in the tempest's grip
Lost in the depths of despair
A relentless force we can't elude
Our fate hangs in the air
