Matanza - Devil Horse

Tom: A

(com acordes na forma de Intro:

This is a song about devil horse, devil horse The most strong blacktrunck of stormville This a song about devil horse, devil horse And try to see how deep the hell is

)

And now it's gone there's no horse like him And now it's gone there's no horse like him

So they made a whisky called devil horse And try to see how deep the hell is

Acordes

So they made a whisky called devil horse And try to see how deep the hell is

And now it's gone there's no horse like him And now it's gone there's no horse like him

And since 1899 There's bad moon rising Thunder from the skies And trouble on the way

Take the same old train Get to dashville again Hear the devil horse claim Take a time of your fucking life Of runaway
