Tom: **D**

A
So scream you
Out from behind the bitter ache
D Hanging on the memory, you need **A** most
A
Still want love
Love ugly, smooth and delicate
D But not without affection, but not alone **A**
Em
And instead of wishing that it would get better
D Man you're seeing that you just get **A** angrier

A **D**
And it's good that I'm not angry
G
I just need to get over,
A **D** **G**
And I, I'm not angry, anymore

A
Cry when you cry, run when you run
love when you love

D
We not represent the ashes
A
that you leave behind

Em
And instead of wishing that the road had shoulder
D **A**
Man you're seeing that you're sinking over time

A **D**
And it's good that I'm not angry
G
I just need to get over
A **D**
And I, I'm not angry
G
it's dragging me under
A **D** **G**
And I, I'm not angry, angry

(**A** **D** **G**)
I'm not angry it's never been enough
it gets inside and it tears you up
I'm not angry but I've never been above it
you see through me don't you
