lyric>>>>>>

Verse 1:  
feels like you made a mistake  
you made somebody's heart break  
but now I have to let you go  
I have to let you go

Verse 2:

you left a stain  
on every one of my good days  
but I am stronger than you know  
I have to let you go

Verse 3:  
no one's ever turned you over  
no one's tried  
to ever let you down  
beautiful girl.. bless your heart

Chorus:  
I got a disease  
deep inside me  
makes me feel uneasy, baby  
I can't live without you, tell me  
what am I s'posed to do about it  
keep your distance from it  
don't pay no attention to me  
I got a disease

Verse 1:  
feels like you're making a mess  
you're hell on wheels in a black dress  
you drove me to the fire  
and left me there to burn

Verse 3:  
every little thing you do is tragic  
all my life before was magic  
beautiful girl.. I can't breathe

(Chorus)  
I think that I'm sick  
but leave me be  
while my world is coming down on me  
you taste like honey, honey  
tell me can I be your honeybee  
be strong  
keep telling myself  
that it won't take long 'till  
I'm free of my disease..

Bridge:  
I'm free of my disease.. free of my disease.. hooohh...

(Chorus)

Ending:  
I'm free of my disease.. free of my disease..
