

Matchbox Twenty - Disease

Tom: C

apotraste na 2ª casa B7

Feels like you made a mistake, you made somebody's heart break

But now i have to let you go, i have to let you go

You left a stain, on every one of my good days

But i am stronger than you know, i have to let you go

No one's ever turned you over, no one's tried

To ever let you down, beautiful girl, bless your heart

I got a disease, deep inside me, makes me feel uneasy baby

I can't live without you, tell me what i am supposed to do about it

Keep your distance from me, don't pay no attention to me, i got a disease

B7

Feels like you're making a mess, you're hell on wheels in a black dress

You drove me to the fire, and left me there to burn

Every little thing you do is tragic, all my life, oh was magic

Beautiful girl, i can't breathe

I got a disease, deep inside me, makes me feel uneasy baby

I can't live without you, tell me what i am supposed to do about it

Keep your distance from me, don't pay no attention to me, i got a disease

And when i think that i'm sick, but leave me be while my world is coming

Down on me, you taste like honey, honey, tell me can i be your honey

Be, be strong, keep telling myself it that won't take long till

I'm free of my disease, yeah well free of my disease

Free of my disease... oooohh
