

# Matchbox Twenty - Leave

Tom: A

It's Amazing <sup>A</sup>

How you make your face just like a wall <sup>D</sup>

How you take your heart and turn it off <sup>Gbm</sup>

How I turn my head and lose it all <sup>E E (D)</sup>

It's Unnerving <sup>A</sup>

How just one move puts me by myself <sup>D</sup>

There you go just trusting someone else <sup>Gbm</sup>

Now I know I put us both through hell <sup>E E</sup>

[Pre-chorus]

I'm not saying <sup>D</sup>

There wasn't nothing wrong <sup>E</sup>

I just didn't think you'd ever get tired of me <sup>A E Gbm</sup>

I'm not saying <sup>D</sup>

We ever had the right to hold on <sup>E</sup>

I just didn't wanna let it away from me <sup>Gbm</sup>

[Chorus]

But if that's how it's gonna leave <sup>D</sup>

Straight out from underneath <sup>E</sup>

Then we'll see who's sorry now <sup>Gbm</sup>

If that's how it's gonna stand, when <sup>D</sup>

You know you've been depending on <sup>E</sup>

The one you're leaving now, the one you're leaving now <sup>A Gbm (E)</sup>

It's aggravating <sup>A</sup>

How you threw me on and you tore me out <sup>D</sup>

How your good intentions turn to doubt <sup>Gbm</sup>

The way you needed time to sort it out <sup>E E (A)</sup>

I'm not saying <sup>E</sup>

There wasn't nothing wrong <sup>A</sup>

I just didn't think you'd ever get tired of me <sup>E Gbm</sup>

I'm not saying <sup>D</sup>

We ever had the right to hold on <sup>E</sup>

I just couldn't ever let you get away from me <sup>A E Gbm</sup>

But if that's how you gonna leave <sup>D</sup>

Straight out from underneath <sup>E</sup>

Then we'll see who's sorry now <sup>Gbm</sup>

If that's how you gonna stand, when <sup>D</sup>

You know you've been depending on <sup>E</sup>

The one you're leaving now, the one you're leaving now <sup>A Gbm (E)</sup>

The one you're leaving now, now-no-no <sup>A</sup>

The one you're leaving now? <sup>Gbm (E)</sup>

I'm not saying <sup>D</sup>

There wasn't nothing wrong <sup>E</sup>

I didn't think ever you'd get tired of me <sup>A Gbm</sup>

But if that's how you gonna leave <sup>D</sup>

Straight out from underneath <sup>E</sup>

Then we'll see who's sorry now <sup>Gbm</sup>

If that's how you gonna stand, when <sup>D</sup>

You know you've been depending on <sup>E</sup>

The one you're leaving now now <sup>A</sup>

Hey well tell me is that how it's going to end <sup>D</sup>

When you know you've been depending on <sup>E</sup>

The one you're leaving now, the one you're leaving now <sup>A Gbm (E)</sup>

The one you're leaving now, now-no-no <sup>A</sup>

The one you're leaving now? <sup>Gbm E</sup>
