

Matchbox Twenty - Push

Tom: G
Intro: G D Em C 2x

She said I don't know if I've ever been good enough
I'm a little bit rusty, and I think my head is caving in
And I don't know if I've ever been really loved
By a hand that's touched me, and I feel like somethings gonna give
And I'm a little bit angry
Oh well, this ain't over no not here not while I still need you around
You don't owe me, we might change, yeah we just might feel good

Chorus:
I wanna push you around, well I will, well I will
I wanna push you down, well I will, well I will
I wanna take you for granted...
I wanna take you for granted...
Yeah I will, I will

She said I don't know why you ever would lie to me
Like I'm a little untrusting when I think that the truth is gonna hurt ya
And I don't know why you couldn't just stay with me
You couldn't stand to be near me, when my face don't seem to want to shine
Cause it's a little bit dirty
Oh well, don't just stand there and say nice things to me
I've been cheated, I've been wronged and you
You don't owe me, yeah well I can't change,
I won't do anything at all...
(Chorus)

Oh but don't bowl me over, just wait a minute, well it kind of fell apart
Things get so crazy, crazy
Don't rush this baby, don't rush this baby, baby...
(Chorus)
