

Matchbox Twenty - Put Your Hands Up

Tom: D

Bm D
 You're wide awake, your heart beats
A G
 Sister Mary in her burning dress with god at her feet
Bm D
 They take and take, but no more
A G Em
 Cause now you're gonna show em what the night is really for
G
 And leave your heart out on the dance floor

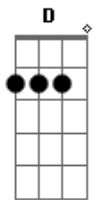

Bm D
 Put your hands up, it's all right
A G
 Saying "oh ho oh oh", until the sunrise
Bm D
 And if you can't sleep, do it all night
A G
 Saying "oh ho oh oh", and don't you ever fade away

Bm D
 Your life is full, of hard days
A G
 You try to hold it down but it's more than you can take
Bm D
 Those flashing lights, they shine down
A Em
 It's hard as hell to try to keep your head in this town
G
 So we're gonna burn the place down

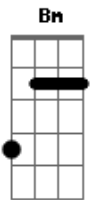

Bm D
 Put your hands up, it's all right
A G
 Saying "oh ho oh oh", until the sunrise
Bm D
 And if you can't sleep, do it all night
A G
 Saying "oh ho oh oh", and don't you ever fade away

(Bm D A G)
