

Matheus Henrique & Gabriel - Por Ela

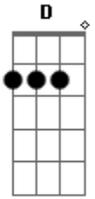

Tom: D

m

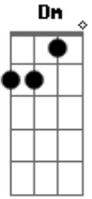

Mais uma vez, estou a procura de um bar pra eu beber
 Pra amenizar essa angústia que me mata
 Pra aliviar essa ausência de você

Eu achei, traz um ardente pro meu peito aquecer
 Por que essa gelada não me faz te esquecer
 E o meu último pedido vou fazer
 E leva essa garrafa e troca essa dose por ela, por ela
 Cachaça não resolve eu troco qualquer porre por ela
