

Matheus Possebon - Cruzando Raios

tom:

Intro: F Bb F Bb

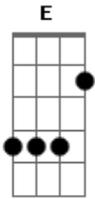

Estrelas vão fugindo entre os faróis e o mar

Neste azul, que azul

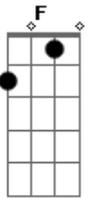

O nosso amor sumindo entre o partir, ficar

Entre o norte e o sul
 Cruzando sobre os raios antenas de TV
 Por que você me olha se você não me vê?
 Sobre os oceanos em doces guerras frias
 Não deixe anoitecer não deixe escurecer o nosso dia.
