Mathews - winston lights

```
                      tom:
                       C
Intro:  Am  G  G  C7M
```

```
Am
Winston lights, in the morning

                 G
Got me feeling alright

Alright

Am
The brightness of the sun

And people being loud

             G
I think thats fine

With winston lights
```

[Ponte]

```
G
But the hangover is trying to
                          Am
Push me to the limit till i die

I think it's fine

G
But the hangover is trying to
                          Am
Push me to the limit till i die

And thats not right

2X
  Am  G  G  CM7
```

[Pré-Refrão]

```
Am
I can only see myself in misery
                  G
And thats just fine
Am
I dont have no money but thats not no poverty
              G
Thats just life
```

[Refrão]

```
G
But the hangover is trying to
                          Am
Push me to the limit till i die

I think it's fine

G
But the hangover is trying to
```
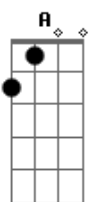

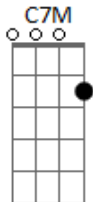

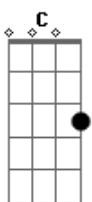

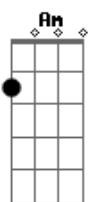

```
                                Am
Push me to the limit till i die

And thats not right

  Am  G  G  C7M (2x)
```

```
        Am
