

# Matilda - Apologize

Tom: **D**

Intro: **D Em Bm G**

**D**  
The hourglass is running low  
**Em**  
I'm pretty sick of you talking  
**Em**  
I think you know  
**Bm**  
Don't waste your breath on me you've done enough **G**

**D**  
Everything you said about all of your dreams  
**Em**  
Your future with me  
**Em**  
I think you really believed  
**Bm**  
I never call your lying like I did **G**

**A**  
So I don't care if you stay up  
**Bm**  
Watching my parade of **G**  
Doing what I'm doing **G**  
Off of what you've ruined

**D**  
But I think you should own up and apologize **Em**  
**Bm**  
For playing all those lies **G**  
For sharing things I said when I was wasted **Em**  
**D**  
I think you should grow up and apologize **Bm**  
You can't take back the lies **G**  
But it's a pretty good place to start

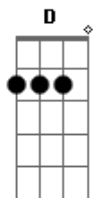

**D**  
In solitude has come to an end  
**Em**  
I wrote my principles whims and I would do it again  
**Bm**  
We both know its you who fucked it up **G**  
**D**  
The aftermath has treated me well  
**Em**  
I bet its harder for you when you keep playing pretend  
**Bm**  
I'm sure that's too much to comprehend **G**

**A**  
So I don't care if you stay up  
**Bm**  
Watching my parade of **G**  
Doing what I'm doing **G**  
Off of what you've ruined  
**D**  
But I think you should own up and apologize **Em**  
**Bm**  
For playing all those lies **G**  
For sharing things I said when I was wasted **Em**  
**D**  
I think you should grow up and apologize **Bm**  
You can't take back the lies **G**  
But it's a pretty good place to start

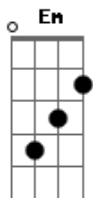

**G**  
Its pretty done now looking back **A**  
Wondering why you never really had my back **G**  
Why you let me take the fall for everything **A**  
Broken star broken hearts so anything **G**  
I think its time for you let me off the hook now **A**  
We were two about the choices that we took love **Bm**  
I think its only fair you look me in the eyes and **A**  
Take a breath be sincere and apologize **A**  
But I

**D**  
But I think you should own up and apologize **Em**  
**Bm**  
For playing all those lies **G**  
For sharing things I said when I was wasted **Em**  
**D**  
I think you should grow up and apologize **Bm**  
You can't take back the lies **G**  
But it's a pretty good place to start  
**D Em Bm G**  
Na-na-na **G**  
But its a pretty good place to start
