

Matisyahu - Broken Car

Tom: C

Am G C
Welcome to my broken car
F Am
It don't move fast but it go so far
G C
Though you might bang your head or scrape your toes
F Am
Fred Flintstone with my feet on through the holes
G C
But don't you worry now, don't you worry
F Am
Cause it will get you there
G C F
Where you need to go, where you need to go, where you need to go?
Am G
Over the hillsides and the valleys far and wide
C F Am G
Where the sun goes and the sky it shines
C F
Fire gonna rage tonight

Am G C
Welcome to my broken home
F
It's not so fancy
F
Made from sticks and stones
Am
It's often empty
G
I hope you like to be alone
C
You can stare out the window
F Am
Until you find your zone
G
Take cover from the bombs and the bullets
C
Take time to heal your wounds
F
Forget what they told you
Am G C F
Just listen on to the tunes, listenin' to the tune

Am G C F

Am G
Welcome to my broken house
C F
You don't have to tip toe here
Am
You can put ya feet down
G

Feel the floor beneath you
C
Feel the ground
F
Don't worry bout the future
Am
You're here right now
G
Unpack your bags
C
And relax for a while
F
Rest your weary eyes
Am
I know you've been tired
G
Where do you need to go
C
Where you got to be
F
Where do you need to go
Am
I'm your taxi

G C F
Don't you worry, don't you worry now, don't you worry now
Am
Fire gonna rage tonight

G C
Welcome to my broken heart
F Am
I know it's hard sometime you fall apart
G C
Welcome to my broken song
F
Don't worry now baby
Am
You ain't done nothing wrong
G C
Welcome to my broken heart
F Am
I know it's hard sometimes you fall apart
G C
Welcome to my broken song
F
Don't worry now baby
Am
You ain't done nothing wrong

G C F
Where you need to go, where you need to go, where you need to go

Am G C F
