Intro: **C G Em F G**

C
I told her you must go you can't stay here

G
She said I know since the death blow

Am
My soul's been oh like sand

Em F G
I'm so tired, it's like my spirit expired

C
Remember when I was just a child yet

G
Now I feel like a star a daybreak about to expire

Am
And get lost in the sun, me and you

Em F G
We gotta leave and just run and run

Dm G
Don't wait for me while I'm down

Dm
Cause I might not get up

Em G
All I have is right now but I give you what I got

[Refrão]

C G Em
You are the oh-only good thing

F G C
That I have ever done

G Em
We will walk until my blood runs out

F G C
Until my heart is burned, you are not alone

C G Em
You are the Oh-only good thing

F G C
That I have ever done

G Em
We will walk until my blood runs out

F G C
Until my heart is burned, you are not alone

Cm
Patience on top of a mountain

Ab
Pumping blood through the veins of creation (we are not alone)

F
He aches for her but can't find his way can't live no more

Cm
I ache for her but can't find my way I can't live no more
(she is not alone)

Ab
Just before the light goes away

Comes a child that collects all the reasons to be

A
That laughs and that smiles, moments of clarity

Ab
Exchanging them for another day

Cm
Exchanging them for another day

And so my heart continues to say

[Refrão]

C G Em
You are the oh-only good thing
