

Matogrosso & Mathias - Amanhã

Tom: D

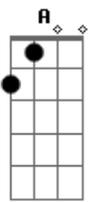

Amanhã estarei bem longe
 Já estou com saudade de você
 Eu não sei porque é que existe adeus
 Porque é que todo amor
 Não dura eternamente
 Amanhã os nossos caminhos
 Nunca mais vão poder se encontrar
 Amanhã depois do alvorecer
 você vai compreender

Que me perdeu pra sempre
 Você pode quebrar esse silêncio
 E pode me fazer voltar atrás
 Dizer que ainda me ama
 Que esta arrependida
 Fazer tudo entre nós ficar em paz
 Você sabe que quem cala consente
 Não custa me pedir para ficar
 Se ainda me deseja
 Me abraça e me beija
 E ficaremos juntos amanhã
