**G**  
 [Part 1]  
**G7M** **Am7** **Bm7** **Am7**  
 Three am and walking in the rain  
**G7M** **Am7** **Bm7** **Am7**  
 Neon blue still lights the oldest greek cafe  
**G7M** **Em7**  
 Moon shines through the dripping trees  
**Gbm7** **Bm7**  
 I wish you saw it too  
**E** **A** **D**  
 For now, I'll write to you  
**G7M** **Am7** **Bm7** **D7**  
 Told me we would love once more in fall  
**G7M** **Am7**  
 Leaves turned brown and green again  
**Bm7** **Am7**  
 Before you called  
**G7M** **Em7**  
 Flowers bloom by ocean waves  
**Gbm7** **Bm7**  
 But you will miss this too  
**E7** **A7** **D7**  
 For now, I'll wait for you

[Refrão]  
**D#7M**  
 But where'd you go?  
 I miss your clothes  
 And the ring on your nose  
**D**  
 When we used to smile  
**D7**  
 And walk awhile  
**D#7M**  
 Did you call?  
 I miss your voice  
 And the familiar noise  
**D**  
 When we used to dream  
**D7**  
 Across all seas  
**G#7M**  
 But why'd you leave?  
 I miss your hair  
 Ralph lauren in the air  
**G7**  
 That would linger long  
 After you'd gone  
**G#7M**  
 Did you love me?  
 I miss your soul  
 And fried eggs in a bowl  
**G7**  
 That we used to share  
 With red wine paired  
[Ponte]  
**Am7** **D7**  
 But -- it's
