tom:
G
 [Part 1]
G **Am** **Bm** **Am**
 Three am and walking in the rain
G **Am** **Bm** **Am**
 Neon blue still lights the oldest greek cafe
G **Em**
 Moon shines through the dripping trees
Gbm **Bm**
 I wish you saw it too
E **A** **D**
 For now, I'll write to you
G **Am** **Bm** **D7**
 Told me we would love once more in fall
G **Am**
 Leaves turned brown and green again
Bm **Am**
 Before you called
G **Em**
 Flowers bloom by ocean waves
Gbm **Bm**
 But you will miss this too

[Refrão]
Eb
 But where'd you go?
 I miss your clothes
 And the ring on your nose
D
 When we used to smile
D7
 And walk awhile
Eb
 Did you call?
 I miss your voice
 And the familiar noise
D
 When we used to dream
D7
 Across all seas
Ab
 But why'd you leave?
 I miss your hair
 Ralph lauren in the air
G7
 That would linger long
 After you'd gone
Ab
 Did you love me?
 I miss your soul
 And fried eggs in a bowl
G7
 That we used to share
 With red wine paired
 [Ponte]
Am **D7**
 But -- it's
